

# Welcome to the Edubull AI Wonderland

India's First AI  
School  
Infrastructure

Proud Partners  
with IIT Roorkee &  
IIT Guwahati

Empowering 300+  
Schools and Generating  
₹17 Cr Revenue

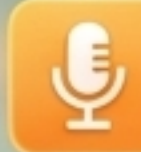

# Building the Ultimate Learning Ecosystem

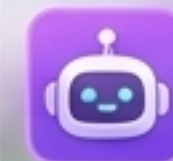

**Level 4: Elite Diamond**  
The Complete School

**Level 1: Eduè Elite**  
The Foundation

**Level 3: Elite Pro+**  
+ Language & Coding

**Level 2: Elite Pro**  
+ Robotics

# Level 1: Laying the Elite Foundation

## The Academic Engine

AI Textbooks + Smart Panels  
+ 3D Content + LMS + ERP.

## The Impact

Zero teacher prep time and  
deep conceptual understanding.

## The Target

Budget-conscious schools  
beginning their AI journey.

# The Magic Hybrid Textbook

## 10 Subjects Covered

NCERT + CBSE aligned for Classes 1–12.

## Embedded AI

Every page features QR+AR links to concept animations, podcasts, and teacher videos.

## Immersive 3D

Interactive activities for Physics, Chemistry, Biology, Maths, Geography, and History.

# The Automated Command Center

## Predictive Power

82% accurate board result prediction to identify at-risk students 5 months early.

## Instant Automation

30-second auto lesson plans and 60-second auto exam creators.

## Complete Visibility

Seamless AI ERP managing admissions, fees, transport, and real-time parent updates.

# Level 2: Unlocking the Elite Pro STEM Towers

## Everything in Elite PLUS:

**The Vishwakar AI  
& Robotics Lab**

**70+ Robot Model  
Kits & IoT Devices**

**Professional  
Lab Furniture**

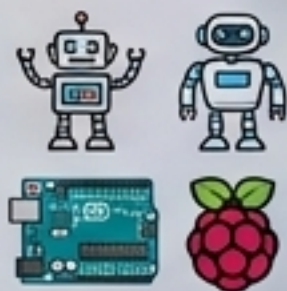

# A Daily Expert in a World-Class Lab

## Not a Monthly Visit

A dedicated, full-time robotics expert present 5 days a week.

## Hands-on Hardware

From basic line-followers to advanced AI-vision robots, Arduino, and Raspberry Pi.

## Immediate ROI

A show-stopping lab that drives instant school admissions.

# The Ultimate Academic Power-Up

## 3-Year Progressive Curriculum

Co-designed with IIT (Project VANI).

## Dual Certification

Official recognition for student achievement.

## Campus Prestige

Earn the formal 'IIT Roorkee AI School' designation.

# Level 3: Activating the Elite Pro+ Hub

## Everything in Elite Pro PLUS:

Azure AI  
Language Lab

AI Coding Lab  
(CodeGuru)

Daily In-Class  
Physical Activities

# The Success Triangle: Code, Build, Speak

## CODE

Typing on a sleek laptop with a 24/7 AI mentor hovering nearby (CBSE Code 402+417).

## BUILD

Snapping together an IoT device in the Vishwakar Lab.

## Triple Board Impact

Direct improvement in English, IT, and core subjects simultaneously.

## SPEAK

Confidently presenting the project on a stage using Azure AI phoneme-level pronunciation skills (CBSE Code 301 / CEFR Pre-A1 to C1).

# Daily Energy Boosts in **Every Room**

**NEP 2020 Aligned**  
Holistic development  
prioritized daily.

**Zero Extra Space**  
Designed specifically  
for regular classroom  
environments.

**Age-Appropriate**  
Tailored movement  
sessions from Class 1  
to Class 12.

# Level 4: Designing the Elite Diamond Utopia

## Everything in Elite Pro+ PLUS:

Edubull Little Geniuses  
Early Childhood Program

Complete Modern  
Classroom Furniture  
Upgrades

The Ultimate Turnkey  
School Transformation

# The EarlyEd Stepping Stones

## 'I Discover' (Nursery)

Sensory play and rhymes.

## 'I Learn' (LKG)

Number concepts and reading readiness.

## 'I Create' (UKG)

Early science and school readiness.

Brand Loyalty from Age 2.5: A world-class preschool experience that keeps parents enrolled for 14 years.

# The Magic of the AI Talking Pen

## Touch-to-Speak

Instantly pronounces words, reads sentences, and sings rhymes in clear, AI-generated English.

## Interactive Audio

The most loved product by children and parents, driving immediate word-of-mouth recommendations.

# 21<sup>st</sup>-Century Learning Environments

## Instant Quality Signal

Parents immediately notice the premium, upgraded environment during school visits.

## Complete Overhaul

Modern furniture provided for every single class.

# Choose Your Campus Power-Up

## Elite

Budget-conscious AI entry.

5 Components

## Elite Pro

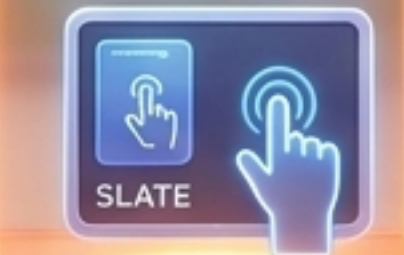

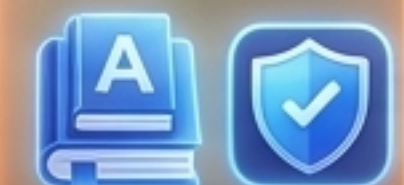

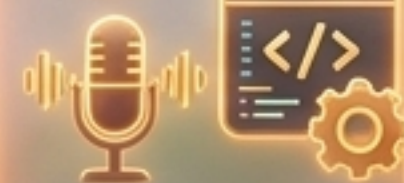

Ambitious STEM leaders.

11 Components

## Elite Pro+

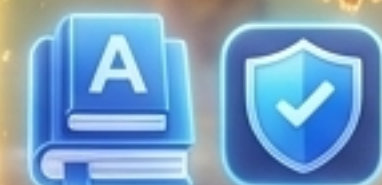

Premium academic excellence.

18 Components

## Diamond

Complete Category Leaders.

23 Components

### TOTAL COMPONENTS

# The Continuous 14-Year Journey

The longest integrated student data journey in Indian EdTech.  
One seamless AI platform from a child's first word to their final board exam.

# The Future of Learning is Waiting to be Built

Transform your school into India's next AI  
educational landmark.

**Edubull Technologies:** Your blueprint for the  
complete modern school.
